

**WHITE FOILS
NOW AVAILABLE**

ultraframe Coloured Foiled Roofs

- Major parts are coloured foils NOT sprayed
- Speedy delivery - only marginally longer than a standard roof
- Considerable saving compared to powder coated aluminium
- Matching PVC side frames in the same foil colours are available in the market
- The perfect complement to painted side frames on timber conservatories
- For full specification on which items are foiled, please see overleaf.

Coloured Foil Top Caps are available in the following colours:

NOW ALSO AVAILABLE IN WHITE FOIL

Gutter		Black Marley Classic Gutter as Standard Coloured Marley Classic Gutter Supplied at Additional Cost
Valleys	Internal Claddings	External Cladding
Box Gutter	Undercladding	Multiboard - Raised Back Box Gutters Adaptors
Roof Vents		Sprayed

* On a white foiled roof, the only parts available foiled are glazing bar top caps, undercladdings, PFTB internal cladding, ridge undercladding, valley internals, box gutter undercladding, vented wallplate undercladding, half ridge undercladding, end channel, muntin bars and lean-to cloak trim. Remainder is standard body colour white.
External ridge capping, external radius end and internal radius end are not foiled in sage green - these items are sprayed.

** All P, T and B shapes have sprayed external ridge caps.

Dome chambered cappings only.

Choose from low profile, Renaissance cresting and Pikestaff finial.

Only 24mm glazing at present.

A specially commissioned chrome tie bar is specified on internally coloured roofs. White tie bars are used on white foiled roofs.

It is Ultraframe's policy to continually seek to improve its products, processes and services, and we reserve the right to change specifications without prior notice. Ultraframe is a trading name of Ultraframe (UK) Limited.
